Hello & Welcome to Arjun Group (AG)

Arjun Group (AG) is an enterprise global consulting firm engaged in offering business and IT solutions. AC is located in Coimbatore, India engaged in offering a wide range of business services and solutions to its customers globally ranging from small, medium to large enterprise customers. Arjun Group was formed by Mr. Arjun Rajendran (Founder & CEO, Arjun Group) in 2003 with a motive of providing world class IT solutions to customers across the globe. Later it has expanded its horizon to provide business solutions and services to help the customers globally. Arjun group executes its businesses by a highly qualified, experienced and skilled employees monitored by a dedicated Delivery Team. The businesses executed by AG are delivered with expected quality and in time delivery followed by post go-live support and service warranty.

Our Business Strategy is simple, offering "Simplified Solutions" to customers to Grow Stronger, Higher and Faster.

We make our customers to run their business safe and secure. We are quality conscious and hence we make our customers feel proud and happy for choosing us as their business partner. At AG, we understand our customers, their values and their business concerns. We will provide them a feasible solution at an affordable price. We charge our customer very nominally for our service. Our charges are affordable by each and every customer who run their business globally.

At AG, we help our customers by recruiting suitable employees/ labours based on their requirement. Either it can be permanent staffing or contractual staffing. We take care of the entire recruitment process to fill the gap in their concern. We are pioneers in recruiting both technical and non-technical staffs. We understand our customer requirements well. We also support our customer in payroll processing services.

About Us
